40th Anniversary Actions and Events

Fight Government Corruption

Following a feature in the "Network Highlight" of *Gray Panthers Prowling* May 2009 issue, the Gray Panthers of Austin CONTINUE our fight to expose the rotten core of CORRUPTION by "\$pecial Interest\$" over the past several decades at the heart of government at all levels! Referral to the US Department of Justice in 2009 of well-documented questions and issues marked a major step forward in revealing specific obstacles erected - particularly by Financial Interests - impeding Accountability by Elected/Appointed Officials (at all levels of "public service") to the overall Public Interest!
